Fall 2009

Welcome to BDC '10!

Now in our 29th camping season, we are pleased to invite, or welcome you back, to our exceptional community of dedicated families, children, teachers, coaches, and education administrators! Each year, we create BDC anew, building on the successes of past years and sharing in the unique magic and power of our phenomenal camp experience.

While you are now too old to be a full camper, there is still a special place for you at BDC. The Camper Leadership Program offers you the opportunity to experience BDC in a unique way. Enclosed you will find information about our wonderful – *NEWLY EXPANDED*-- Camper Leadership Program along with a CLP Enrollment Form and CLP Written Interview Form. The Enrollment Form must be completed by you *and* your parents – so talk to them and work together. **The Written Interview Form must be completed by you, instead of your parents,** after you have thought about what you would like to tell us about yourself.

If you have any questions or would like to discuss your ideas and options, please call or email me right away. Spaces are very limited in this small and unparalleled BDC job skills/life skills program. My staff joins me in looking forward to nurturing and challenging you and your family at BDC this summer! As always, I am...

Wishing you Courage, Hope, Good Spirit, and Peace,

Milisa 'misa' Galazzi, Director
Brewster Day Camp
