May 2019

Welcome 2019 Brewster Day Camp Staff!

We now proudly enter our **38th** camp season. I eagerly await sharing this summer with you as we put into action our camp's mission: *To Nurture & Challenge Children & Families with Courage, Hope, Good Spirit, and Peace!* I am equally thrilled that you now *officially* join or are re-joining, the BDC Family. This summer, BDC welcomes a tremendous group of amazing staff members who unite with our distinguished body of dedicated year-round teachers and administrators. Our programs are finely tuned, and soon, our campus will be ready for campers. With your energy and joyous work, BDC '19 will be the best yet!

Please take your time in reading, reviewing, and completing this VERY IMPORTANT staff contracting paperwork. Should you have any questions or concerns, please reach out to Cady who coordinates this work (info@brewsterdaycamp.com). Once the paperwork is out of the way, we can all focus on the even MORE IMPORTANT work of creating a safe, engaging, and powerful camp experience, for our campers and their families.

Thank you for taking care of these details. I look forward to seeing you and working with you all on-campus in June!

CHGsP!

Daniel Michel, Director
