Winter 2020

Dear Camper Leader Candidate,

Happy New Year!

We are pleased to offer you the opportunity to apply (or in some cases re-apply) to BDC's Camper Leader Program for the summer of 2020.

The Camper Leader Program is vital to BDC because it teaches and cultivates future counselors and program staff. We are excited to build a dynamic group of CLs who will strengthen their existing friendships and create new bonds with other Camper Leaders, counselors, campers, and staff through participation in this program. Whether you were a CL last summer or have finished your final year on Admirals Hill, the 2020 CL Program is sure to challenge and engage you!

We hope to work with you to facilitate projects and ideas that you bring to the table, in addition to the day to day responsibilities of being a CL. New this year, we have integrated the CLs into the central schedule, so you will have the opportunity to enjoy each program area on and off our campus throughout the week. Additionally, you will continue to have the opportunity to be assigned to activity areas or age groups throughout the day, where you will work with counselors and program staff to gain real knowledge and responsibility working with and mentoring our younger campers.

Please take time to read over the Camper Leader Information Sheet, Enrollment Form, and Written Interview. The Enrollment Form should be completed by you and your family, while you alone are responsible for filling out the Written Interview. Be thoughtful and true in your answers—it is most important that we get a feel for who *you* are.

Though there is no firm deadline to apply, please note that the program does fill up and spaces are limited. As you will see on the attached info sheet, *there are specific limits on total CL participant days, and a daily cap on CL's on campus*. This will likely impact availability of your first-choice schedule, so please apply early!

Please feel free to contact us if you have any questions as you fill out the materials.

We look forward to reading your application!

Dan Michel
Camp Director
