Week 7 – Carnival Week

Our second to last Special Event Day of the summer brings all of BDC off of our central schedule to enjoy the essence of the camp experience: creativity and fun! Every summer we are thrilled to see our dear friend Trusty the Clown, who hands out necklaces around the carnival.

Each tent group is tasked with organizing, setting up, and running, and advertising their own carnival activity. Tent groups learn time management skills as some campers run the activities while others explore the BDC Carnival and have fun around campus.

Whether grabbing some cotton candy from the Camper Leaders, jumping in the pool with your favorite floaty, fishing for snacks on the hill, or mustering the courage to go to the Dutchmen's Haunted House, there is something for everyone at Carnival Day!

This summer, you can have your own Carnival Day and share your Carnival station, game, or activity with us!

We have created a brand-new video newsletter for BDC'20...starring YOU! Each week, please send us videos of your family engaging with these activities or simply incorporating Courage, Hope, Good Spirit & Peace into your lives. With your help, we will create a weekly video newsletter showcasing all of the magic that you, the BDC Family, is enjoying. Here are some instructions:

1. To capture video on cell phones or iPads, please turn the device horizontally (landscape).
2. 10 seconds of video is the perfect length.
3. Your device's microphone is sensitive, so make sure to stand close (under 6 feet) to the person you're filming so that we can hear them.
4. Capture a few seconds at the beginning and end of the action to allow us to edit the clip.
5. Please send us the one best video of your activity.
6. Please send us the video unedited, videos with titles and graphics will not be used.

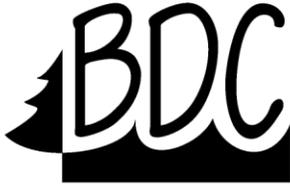

Have fun filming! When you have a video to send us, upload it directly to our [BDC dropbox](#), which you can find on our website under Camp Forms.

Please call or email with any questions or comments!

Minute to Win-it Games:

One of the best things about carnival day is challenging your friends in fun, engaging, and sometimes silly competitions. This summer we encourage you to challenge your family to get into the fun with Minute to Win-it competitions! Here are a few of our favorites and you can find more online:

Dice balance:

Hold a Popsicle stick in your mouth. One by one, stack dice on top of the stick. Try to see how many dice they can get on the stick in one minute (the most dice wins!).

Junk in the Trunk:

Fill an empty tissue box with ping pong balls. Attach a string through the box so that it can be worn around the hips like a belt. Tie it on and try to shake all the balls out. Whoever shakes them out fastest wins!

Flip it:

Take a solo cup and place it face up on the edge of a table. Tap the bottom trying to flip it so that it lands on the table upside down. Whoever gets the most flips in a minute wins!

Pear song (repeat after me)

All the pears that walk around town
Say we are pears, pears don't mess around
Pears are green pears are red
And no, pears don't want to be dead
Some times when I'm sleeping
The pears are always creeping
They really make me frown
So listen up when you hear this song
Pears are cool and I'm not wrong
All the pears, all the pears
